What have we done so far?

Useful databases have been developed.

But we can do more!

We can do more to enhance the following:

Integration

Interaction

Breadth and
Depth

Popularisation

How?

We need a framework

Providing a basis for discussion
(e.g., defining the scope of study and the essential concepts)

Helping us explore the world of translation knowledge management in a systematic manner

Translation Informatics

Translation Informatics: Definition

Translation informatics is the study of the design, development, adoption, and application of IT-based innovations with a view to facilitating effective uses of data, information, and knowledge for translation, interpreting and other multilingual activities.

Translation Informatics: More Details

Based on the definition, this framework helps us

1. Understand
the situation

2. Set our
goals

3. Identify key
issues

4. Find specific
areas for
improvement

Q1. Understanding the situation: What should we manage?

We should manage the following:

Data (e.g.
corpora)

Information
(e.g. patterns)

Knowledge
(e.g.
translation
strategy)

Q2. Setting our goals: What do we want to achieve?

We should provide information and knowledge in a proper way

Right
information /
knowledge

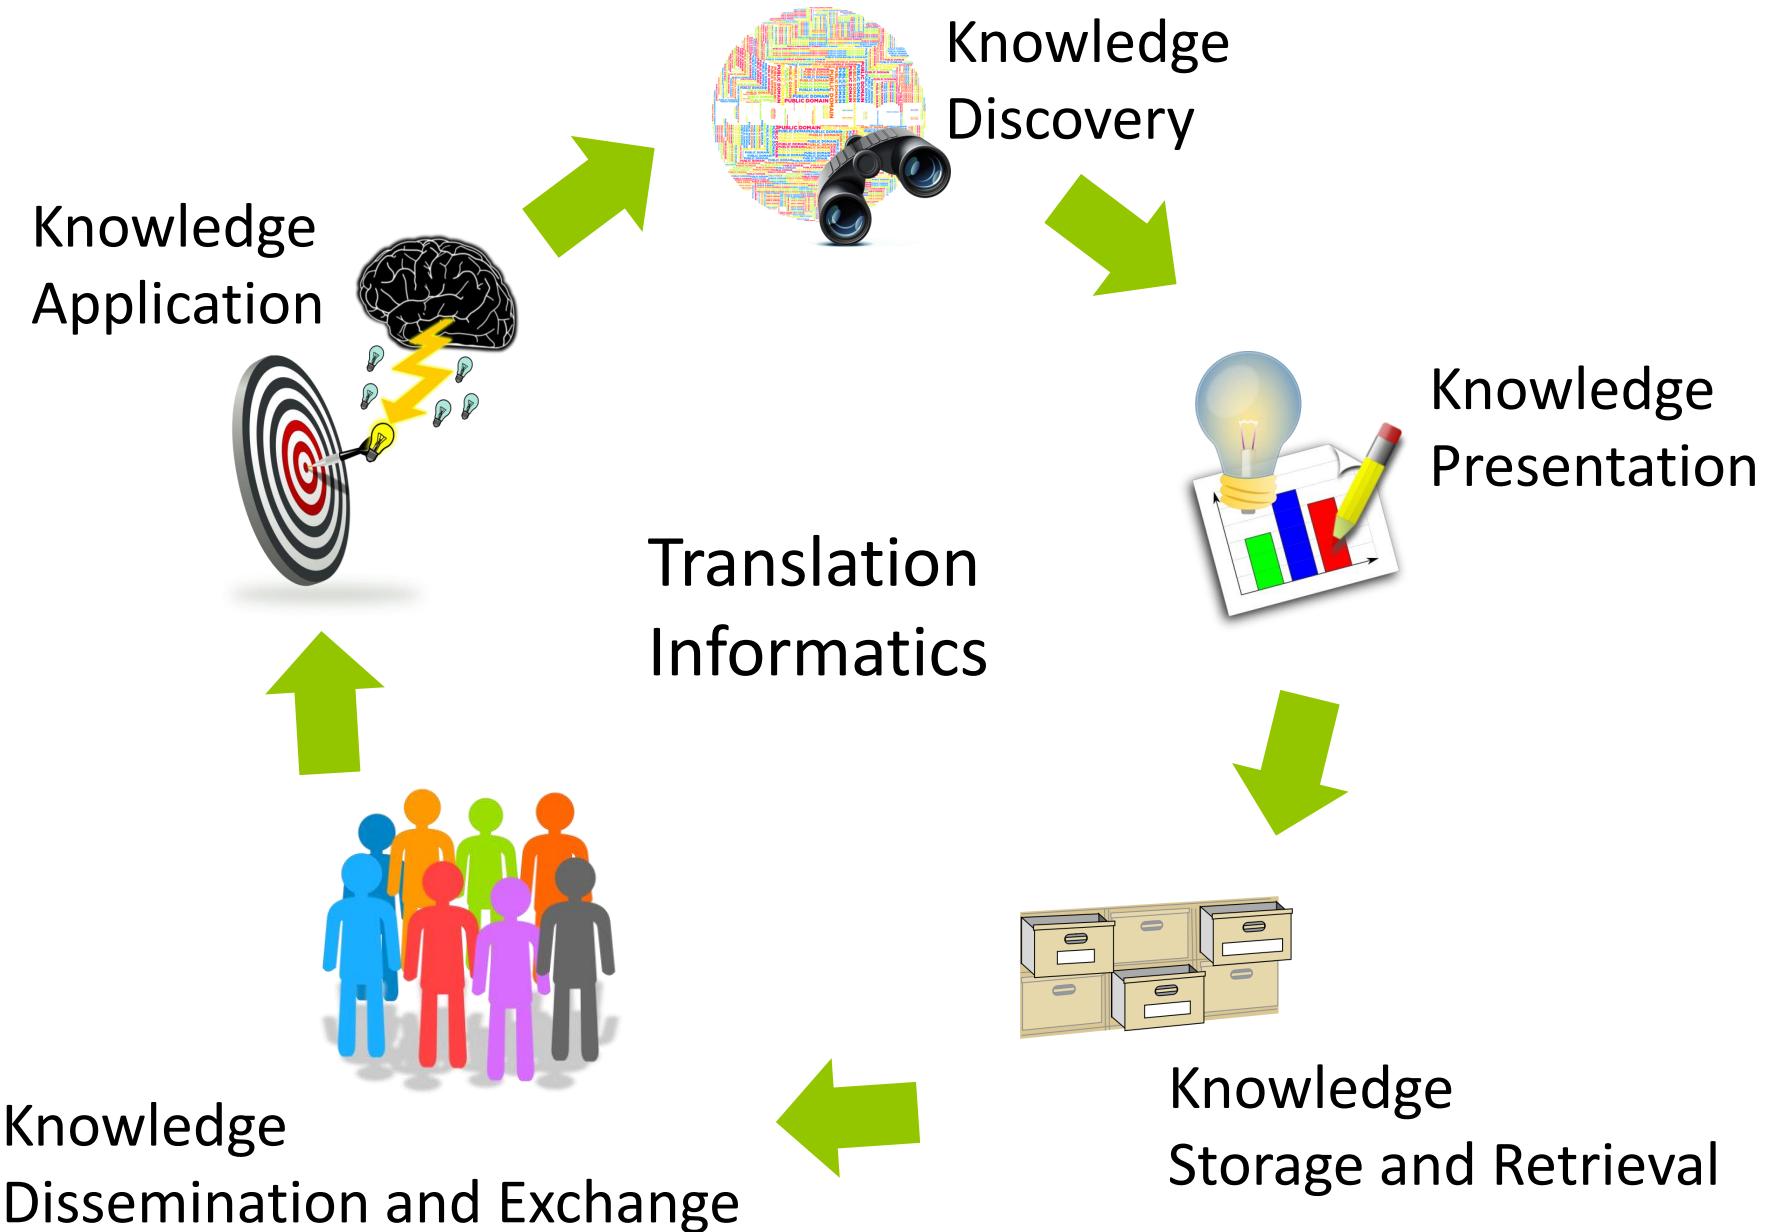

Right time

Right people

Right place

Q3. Identifying Key Issues: What do we need to consider?

We should consider the following components...

Q4. Finding ways to improve how we manage translation knowledge: Do we have any starting points?

For each of the components, the framework identifies some areas that may help us improve translation knowledge management.

Knowledge Discovery

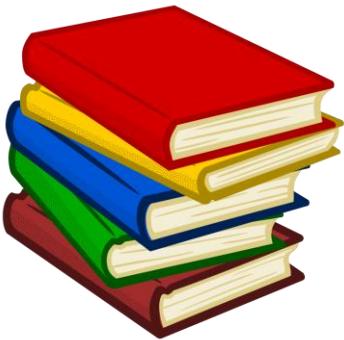

We should consider how we acquire knowledge relevant to translation, interpreting and multilingual communication.

This section should provide a short description of your product. Focus on telling people exactly what your product does and how it will benefit them. Don't worry about how they will use your product. Ask yourself: If someone stopped reading here, would they be ready to back my campaign?

This layout is great for a detailed explanation of a topic. It's good for explaining a complex brain of meat, as long as you break them up into smaller sections. You can add a few images on the left side to support your text. The image on the left side can be replaced with an icon, chart, map, or even a photo that illustrates the concept. This layout is great for one to capture the attention of your reader.

The infographic features a dark blue header with the title 'CANDIDATE SATISFACTION SURVEY RESULTS 2016'. Below the title is a circular portrait of a woman with glasses and a teal shirt. The main question '1. How would you evaluate your interview experience?' is displayed in large, bold, black font. Five teal bars represent the percentage of responses: 6% (very dissatisfied), 4% (dissatisfied), 38% (satisfied), 29% (very satisfied), and 23% (extremely satisfied). Each bar contains a cartoon character representing the level of satisfaction.

A screenshot of a web browser displaying the WordPress.com homepage. The URL 'zh-tw.wordpress.com' is visible in the address bar. The page features a large blue header with the WordPress logo and navigation links for 'Websites', '網誌', '功能', '價格', '新聞', and '支援'. On the right side of the header are '登入' and '開始' buttons. The main content area has a blue background with a faint watermark of a person holding a camera. It displays the text: 'WordPress 的服務範圍涵蓋了 28% 的網際網路內容' (WordPress's service range covers 28% of the Internet content) and '加入全球社群。' (Join the global community.). Below this, it says 'WordPress.com 是入門者輕鬆上手的不二首選。' (WordPress.com is the go-to choice for beginners who want to get started easily.) and '取得不含廣告的自訂網域及網上支援，每月由 \$2.99起' (Get a custom domain and website support without ads, starting from \$2.99 per month). At the bottom, there are two buttons: '開始' (Start) and '檢視方案' (View plans). A dark footer bar at the bottom contains the text: 'Business方案現在可存取數千種 WordPress 外掛程式與佈景主題！' (The Business plan now provides access to thousands of WordPress plugins and themes!).

Step 2: Create a search page with Weebly

Go to Weebly (<http://www.weebly.com/>). Create a free account.

The image shows the Weebly website homepage. At the top, there is a navigation bar with links for "Features", "Themes", "Pricing", and "More". The Weebly logo is centered above a large, stylized white text that reads "DO WHAT YOU LOVE" on a blue background. Below this main headline, there is a sub-headline: "Websites, eCommerce & Marketing in one place." followed by the tagline "So you can focus on what you love." A "GET STARTED" button is located below the sub-headline. In the bottom right corner of the main content area, there is a dark gray callout box containing the text "A beautiful website starts here". At the very bottom of the page, there is a thin yellow horizontal bar.

The image shows a screenshot of a web browser displaying the Weebly sign-up page. The background features large, stylized white text 'DOW' on the left and 'LOVE' on the right, set against a blue gradient background. At the top, there's a navigation bar with links for 'Features', 'Themes', 'Pricing', and 'More'. The Weebly logo is in the center, and there are 'Log In' and 'Sign Up' buttons at the top right. A red circle highlights the 'G+' sign-up button, which is part of a larger 'Sign Up' section. Below this, there are fields for 'Full Name', 'Email Address', and 'Password'. At the bottom, there's a note about agreeing to 'Terms of Service' and 'Privacy Policy', followed by a large blue 'Sign Up' button and a link to 'Log in'.

A Google map of downtown Boise, Idaho. The map shows the Boise River flowing through the city. Several streets are labeled in orange, including Myrtle St, Front St, and Capitol Blvd. A red marker indicates the location of St. Luke's Clinic Surgicalists, which is situated between W. Front St and S. Capitol Blvd. The map also shows other landmarks like Dona Larsen Park and various parks and reserves. A legend in the bottom right corner includes icons for street view, satellite view, and zoom controls.
